## TEACHER OF THE YEAR AWARD

We are proud to launch the Teacher of the Year Award, an initiative dedicated to recognizing and celebrating the outstanding dedication, passion, and impact of our educators. A meaningful step in honoring excellence in teaching at ISME!

# TIMSS EXAM

Our Grade 8 students participated in the TIMSS assessment, organized by the Ministry of Education and Higher Education. This international assessment is an important opportunity to measure students' knowledge in Math and Science and reflect Qatar's commitment to educational excellence.

وزارة التربية والتعليم والتعليم العالي  
Ministry of Education and Higher Education  
دولة قطر • State of Qatar

## MATH COMPETITION

Our Math Department proudly organized a Math Competition, giving students the opportunity to challenge their problem-solving skills, think critically, and showcase their mathematical talents in a fun and engaging environment.

## TWIN DAY

Twin Day, organized by our seniors, brought excitement and school spirit as students paired up and dressed alike, celebrating creativity, friendship, and a strong sense of community.
