What Happened Around the School This Week

This week, ISME proudly celebrated the achievements of our students during the Cycle 1 Awards Ceremony, recognizing their academic excellence, hard work, dedication, and outstanding progress throughout the first assessment cycle.

The celebration highlighted not only academic achievement but also the importance of perseverance, responsibility, positive attitudes, and a commitment to continuous improvement.

CYCLE 1 AWARDS: CELEBRATING EXCELLENCE & ACHIEVEMENT!

We congratulate all our award recipients and encourage every student to continue striving for excellence,embracing challenges, and reaching new milestones.

At ISME, every achievement matters, and every effort brings us one step closer to success!

Salat Al-Istisqa: A Moment of Faith and Reflection

In response to the invitation of His Highness Sheikh Tamim bin Hamad Al Thani, Amir of the State of Qatar, ISME observed Salat Al-Istisqa (Prayer for Rain) on Thursday, November 5, 2026.

Students gathered in prayer, with boys participating outdoors and girls joining through separate indoor arrangements. This meaningful occasion provided an opportunity for our students to reflect on the values of faith, gratitude, humility, and unity, while learning about the significance of this important Islamic tradition.

At ISME, we value opportunities that strengthen our students' spiritual awareness, cultural identity, and connection to Qatar's traditions, fostering a sense of community and shared responsibility.

Student Council's First Meeting: Leading with Purpose!

Our newly elected Student Council held its first official meeting, marking the beginning of an exciting journey of student leadership, collaboration, and positive change at ISME.

The meeting provided an opportunity for council members to connect, discuss their roles and responsibilities, share ideas, and begin exploring initiatives that will enhance student life and strengthen our school community.

With enthusiasm, creativity, and a shared commitment to representing their peers, our student leaders are ready to turn ideas into action, amplify student voices, and make a meaningful impact throughout the academic year.

We look forward to seeing their leadership in action as they work together to make ISME an even better place to learn, grow, and thrive!

Twin Day at ISME: Double the Fun, Double the Spirit!

This week, ISME was filled with creativity, laughter, and school spirit as students and staff celebrated Twin Day! From matching outfits and coordinated colors to creative group looks, our school community embraced the opportunity to express themselves and have fun together.

The celebration encouraged friendship, teamwork, creativity, and a sense of belonging, bringing students closer together and creating memorable moments beyond the classroom.

Twin Day was a wonderful reminder that school is not only about learning but also about building connections, celebrating friendships, and creating lasting memories.

Double the outfits, double the smiles, and double the ISME spirit!

Movember at ISME: Raising Awareness, Breaking the Silence!

This week, ISME launched its Movember Awareness Month activities, focusing on the importance of boys' mental health and emotional wellbeing. Through engaging presentations, interactive awareness booths, and meaningful discussions, students explored the importance of recognizing emotions, expressing feelings, and seeking support when facing challenges.

Our students participated in awareness sessions, while interactive activities across the school encouraged open conversations about mental health, resilience, and the importance of supporting one another.

The initiative aims to challenge stereotypes, break the stigma surrounding boys' mental health, and promote healthy coping strategies, reminding students that expressing emotions and asking for help are signs of strength, not weakness.

Strong minds, open hearts, and the courage to speak up! 💙

Drug Awareness & Prevention: Empowering Students to Make Responsible Choices

As part of our ongoing commitment to student wellbeing and safety, ISME organized a Drug Awareness and Prevention Session in collaboration with the General Directorate of Drug Enforcement (الإدارة العامة لمكافحة المخدرات) under the Ministry of Interior.

The session aimed to educate students about the dangers of drug use, its impact on physical and mental health, and the importance of making informed and responsible decisions. Students were encouraged to recognize negative influences, resist peer pressure, and understand the long-term consequences of substance abuse.

This valuable initiative reinforced the importance of awareness, prevention, personal responsibility, and healthy lifestyle choices, empowering students with the knowledge and confidence to protect themselves and make positive decisions.

We extend our sincere appreciation to the General Directorate of Drug Enforcement for their collaboration and continued efforts in raising awareness among young people and promoting a safer, healthier community.

ISME Sports Highlights: A Week of Outstanding Achievements!

It has been an exciting week for ISME sports teams, with impressive performances in basketball and football competitions!

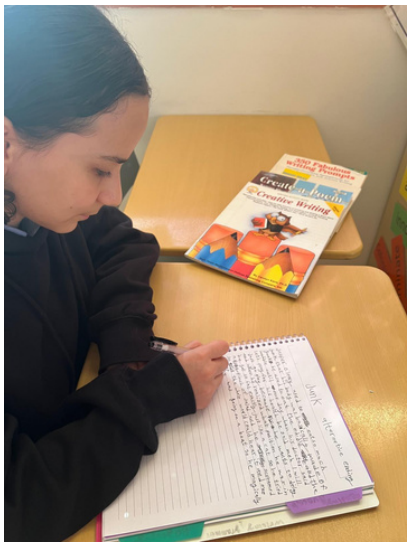

🏀 Basketball: Our team secured a thrilling 37–31 victory against Al Khor International School CBSE, demonstrating outstanding teamwork and determination.

⚽ Lower School Football: With a 1–1 draw and a 2–0 victory, our students successfully qualified for the next round of the competition!

⚽ High School Football: Our team remained unbeaten in Group 4, securing 1 win, 2 draws, and 5 points, earning their place in the next stage!

We are incredibly proud of our student-athletes for their dedication, sportsmanship, and team spirit. Congratulations to all our teams, and best of luck in the upcoming rounds!

After-School Clubs Are Back: Explore, Learn & Grow!

This week marked the exciting launch of our After-School Clubs at ISME!

Students enthusiastically began exploring new interests, developing skills, and connecting with peers through a variety of engaging extracurricular activities.

From sports and robotics to debate, creative writing, science, and more, our clubs offer students valuable opportunities to discover their passions, build confidence, strengthen teamwork, and develop leadership skills beyond the classroom.

At ISME, we believe that learning extends beyond academics, and our after-school clubs provide the perfect environment for students to collaborate, innovate, and grow while having fun!
