The Science Education and Human Health Activity (SEHHA)

Female students from grade 11 and 12 participated in the SEHHA event. SEHHA targets female students interested in health science and exposes them to real life experiences in the College of Health Sciences. This program is a wonderful way to continue to inspire our students to explore a career in health care.

Qatar Scientists in Biological Diversity (QSBD)

DeBakey male students participated in the Qatar Scientists in Biological Diversity program, an educational program offered by the Biomedical Research Center at Qatar University. The students had an opportunity to participate in basic research, learn about effective scientific communication, and develop critical, ethical and scientific thinking under the direct supervision of experts in their respective fields.

AKLAQUNA WORKSHOPS

Twelve teams from DeBakey were privileged to participate in The AKHLAQUNA Workshop series. This workshop aimed to empower project building skills, promote social innovation, and enable students to act as a force for change in their local

MUN Conference

Eight students participated in a 2 day MUN conference at DPS Modern Indian School from October 28th to October 29th. Riad Alzaim, who was representing Mexico in UNHRC, won the Best Delegate award, and two students, Ahmed Zubaidi, representing Uganda in UNHRC, and Jana Wahba, representing Iran in GA6, won Honorable Mention awards.

Pride Month:

"I am Proud of my country"

As part of the program initiated by The Ministry of Education and Higher Education (MOEHE) : "My Values shape my Identity" students prepared artwork that shows their country and symbols of what they are proud of in their home countries.

School Olympics Program First semester final exams

DeBakey students participated in the "School Olympics Program" in different categories: Football, Basketball, Volleyball, Table tennis...

Students did an outstanding work focusing and finishing the semester

MUN Mock conference

DeBakey MUN club hosted their first MUN Mock Conference. Ms. Mary Teeter VP of Development U.S Soccer Federation was the guest speaker for this event.
