

## JUNIOR ACADEMY GUIDE TO ACCEPTD

All Junior and Primary Academy applicants must apply via the Acceptd application portal.

### HOW TO COMPLETE AN ACCEPTD APPLICATION

1. Please Sign up to an account on Acceptd [HERE](#) and then go to the Royal Academy of Music landing page [HERE](#) to start your application.
2. When prompted to select an account type, choose 'I am applying for myself', this should avoid any email verification issues. At the Applicant information page, you can add your Child's name and complete the application.
3. Select Junior Academy Application from the first menu on the left and then the relevant junior academy course, for example:  
Junior Academy Application, then Junior Academy (Performance), Junior Academy (Musical Theatre) Primary Academy or Junior Jazz.

4. Complete all the sections as fully as possible.
5. Upload into the 'Media' section your headshot and your audition video items that are required. These are detailed in the Audition Requirements section for the relevant junior department. Please note, no audition video is required for the Junior Jazz application.
6. You will receive a confirmation email when you have submitted your application along with your Acceptd application ID.
7. If you find any technical problems with the Acceptd portal, you can use the green Help button on screen to get assistance from the Acceptd customer team.
