Farm
Mitsopoulos®

OUR STORY

With over 50 years of experience in meat production and standardization, we at Mitsopoulos Farm continue to invest significantly in the design and creation of new innovative products in order to ensure the success of our partners in the catering industry.

Our name inextricably linked to the tradition of meat in harmony with today's modern food trends.

The sophisticated vertically integrated technology of production excels in all stages, giving the professional a head start in offering products of consistent quality and excellent taste.

We know everything about meat!

OUR PHILOSOPHY

This philosophy is demonstrated through a great range with more than 250 products, covering all the different types of the individual needs of professionals in the field of the catering industry.

The professionals will find excellent quality marinated gyros, skewers in different cuts, premium burgers, traditional recipes in delicious kebabs, juicy burgers, stuffed meat products, sausages, grilled and crumbed meat products.

OUR INNOVATION

A team of technical advisors can help in the management of your products, always striving for the best results.

«Respect towards the professionals» is our main focus so that we build long-lasting relationships of trust.

Join us and let's create together the **success story** of your business.

Innovation, flexibility and utmost quality.

Different types of meat such as pork, beef, chicken and lamb, in different cuts and with distinctive recipes, that cater the needs of the modern professionals.

- Exceptional ingredients and consistent quality
- Excellent taste characteristics
- High product yield
- Integrated control framework

The high “**product yield**” is a significant benefit and profit for the professional.

GYROS

PORK GYROS

The Gyros from Mitsopoulos Farm “encloses” all of the knowledge, the philosophy around meat, as it surpasses all of the limits regarding quality, taste and performance.

The excellent ingredients are further highlighted using authentic recipes that are based on the herbs of the Greek land and special spices.

The handmade production, attention to detail and care at every stage, ensure a final product of consistent quality and performance, aiming at the development of the professional.

With respect to the gastronomic tradition of Gyros in this place...
