### «CityActions»

*Introductory and awareness-raising program on the conference theme.*

In parallel with the 1st International Conference of Gestalt Therapy, titled: “**Gender and Sexuality Today. Gestalt Therapy in Interdisciplinary Dialogue,**” which will take place at the KEDEA building of the Aristotle University of Thessaloniki (AUTH) on March 13, 14 & 15, 2026, the Hellenic Association for Gestalt Therapy (HAGT) announces the launch of the “**City Actions**” program, aiming to reach out to the community and share knowledge and experience with the wider public.

More specifically, **we invite individuals and groups** who wish to create, organize, and implement talks, experiential workshops, presentations, and all forms of artistic events focused on the conference's theme.

The “**City Actions**” will take place both in open public spaces (streets, squares, etc.) and in specific venues (lecture halls, theaters, art studios, exhibition spaces, galleries, etc.) collaborating with us across the greater area of Thessaloniki.

The **“City Actions”** will begin enriching the city from **Saturday, March 7, 2026**, and will conclude on **Sunday, March 15, 2026**, according to the schedule to be announced on the event’s official website following the review of submitted proposals.

All selected events must be addressed to the general public and align with the fundamental principles of **Gestalt Therapy**.

Individuals and groups interested in contributing and fostering a vibrant interaction with the citizens of Thessaloniki are required to complete the **“Participation Application”** form below and email it to **ds.hagt@gmail.com** by **February 20, 2026**, with the subject line: **“City Actions”**.

We look forward to your ideas and proposals.

**The Board of Directors of the Hellenic Association for Gestalt Therapy (HAGT) and the Conference Organizing Committee**
