About Workvivo

the workvivo platform

With 80% of workers frontline or hybrid, digital employee experience is crucial.

If your portfolio companies need to serve a diverse workforce with first-class communication and engagement tools, they need a purpose-built platform like Workvivo, a Zoom company.

Workvivo is an employee experience platform that unifies employee communications, engagement, intranet, and measurement features into one modern employee app. Our highly adopted platform captures the heartbeat of an organization and brings its culture to life whilst empowering employees to be heard and helping everyone to feel included, no matter where they work!

Partnerships are at our Core

Help your clients transform their
communication & employee experience
to create meaningful connection digitally
